

HBYC 2023 Non- Member Cruise Registration

There is a one-time annual cruising fee per participating boat to cover the club's cruising-related costs such as coffee, pastries, supplies, space rental, etc. \$15 for a single cruise or \$30 for as many cruises as you can attend. The \$30 deposit requested in past years is no longer required. Non-HBYC members may join one cruise with a \$20 fee, Note: Members have priority until the confirmed date*, and you must have so much fun that you then join HBYC, well that's the goal. ;-)

Complete and submit this form by April 25, 2023. Confirmations will be sent by May 13, 2023. If you cannot be confirmed, you will be placed on standby. If you are interested in a particular cruise but are unsure of your schedule, sign up for standby, this assists us in filling cruises in the event of cancellations.

Space availability is on a first come basis so get your form in early, even if you just want standby. Include a check for the cruising fee, made payable to: **HBYC**.

Registrations are accepted up to the stated confirmation/cancel date for any cruise. At that point we will release and docks we will not be using back to the marina. You can still make a request to join the cruise after the confirmation/cancel date, but you may not be able to dock next to the other cruisers assuming the marina still has slips available.

You can mail this form and payment to Rick Billheimer 5938 CR 279 Vickery, OH 43464

I attest that I have hull and liability insurance that is sufficient to cover any and all accidents or other insurable incidents that may occur during these events. I will adhere to all HBYC safety and boating rules as stipulated in the club bylaws or event instructions.

I will notify each of my crew members that as the Captain of my vessel, it is my sole responsibility to insure the seaworthiness of my vessel and to consider current and predicted weather conditions prior to departing the marina. I acknowledge that the fact that the HBYC may stage any particular event is in no way an endorsement of safety and I recognize that boating involves risks, including the possibility of drowning and physical injury.

Regardless of whether HBYC does or does not cancel its sponsorship of any event, I remain solely responsible for the safety of my vessel and crew. If I elect to cancel my participation in an event for safety reasons, I understand that I will not be penalized by HBYC. I understand that it is highly recommended that I attend the captain's meeting before departing on a scheduled club event and conduct an appropriate safety briefing with my crew.
